Bahar

Incorporating the wealth of experience garnered by Sabz Bahar Company since its establishment in 30 years ago, Taha brand emerged as a subsidiary, specializing in exporting the Iranian premium dates, pistachios, raisins and figs industry.

After we started supplying legumes, spices, nuts, and dried fruits in Iran and Achieving success in the domestic market with high-quality products and competitive prices, Taha brand was born to participate in international markets for exporting Iranian high-quality nuts and dried fruits. Respect the customer needs is the first value of us and we have developed an expansive network of farmers, processors, and warehouses throughout our product assortment supply chain to meet their needs for quality, price, and timely delivery.
